4. How many times do I have to submit an Entry Form?

Each time your classroom completes their required reading in one month's time, you may submit an Entry Form. Each time you submit an Entry Form, your chances of winning increase! Given that the program runs from September to March, the maximum number of Entry Forms that one classroom may submit is 7 (one per month).

5. When will I receive my Starter Package?

Once your first Entry Form is received, we will send out your Starter Package. We send our packages via Canada Post and therefore, mailing times vary throughout the province. The average time for a Starter Package to arrive is roughly 10 business days.

6. What is included in a Starter Package?

A Starter Package includes:

- One Edmonton Oilers/Oil Kings Reading, Give it a Shot poster for the classroom
- One Edmonton Oilers/Oil Kings Reading, Give it a Shot bookmark for each student in the classroom
- One Reading, Give it a Shot sticker for each student in the classroom

7. What is the likelihood that my classroom is selected in a draw to attend an Oilers or Oil Kings game?

Each Entry Form submitted is one ballot into a draw to win. Therefore, each Entry Form you submit increases your chances of being selected as you are increasing the number of ballots your classroom has in the draws. Overall, the probability of selection depends on the number of total Entry Forms the program receives and the number of Entry Forms your classroom submits.

8. How do I increase my chances of being selected in a draw to attend an Oilers or Oil Kings game?

To increase your chances of being selected in a draw, your classroom simply has to keep reading! Each Entry Form you submit increases your chances of being selected because you are increasing the number of ballots your classroom has in the draws.

New to this season, teachers will also have the opportunity to refer other teachers to the program! If you refer a teacher and they list you as their reference on their entry form, your class will receive an additional entry. You will receive more information via email once you submit your first entry form.

9. When will I know if my classroom has been selected in a draw to attend an Oilers or Oil Kings game?

Following each draw, the winning teachers will receive a phone call and email to announce the classroom victory! All details about transportation, ticketing and organization are included in the email. Teachers will be notified at least 2 weeks in advance of the game date if their classroom has won.
